I am currently based in St. Louis, MO, but very open to relocating. I have worked as an engineer in many different capacities. My strengths shine in collaborative environments that require efficient excellence. With a passion for automation, I enjoy projects that push the limits of what has been done before while maintaining the value of simple solutions.

Washington University in St. Louis

May 2025 – Present

Master of Science in Mechanical Engineering

GPA 4.0

Manufacturing Research and Development Engineer

Jan. 2025 - Present

The Boeing Company

Berkeley, MO

- facilitate the procurement and installation of capital fabrication equipment – \$4M of equipment
- assist with long term site plans and manufacturing development for 3 buildings and several programs
- manage budget and funding while hiring contractors, suppliers, and other internal business units

PREVIOUS WORK EXPERIENCE

Design Engineer

Oct. 2024 – Jan. 2025

Bastian Solutions Maryland Heights, MO

- developed automated robotic cells – layout, end effectors (end of arm tooling), conveyors, etc.
- travel to installation site to trouble shoot mechanical issues

Controls Engineer

May 2024 – Oct. 2024

Wiegmann Associates St. Charles, MO

- fully integrated and start-up commercial and industrial HVAC systems
- consulted project engineers and general project managers to satisfy control standards
- setup network for remote access to controls system

Continuous Improvement Engineering Co-Op

May – Dec. 2023

Amsted Rail - Automation Granite City, IL

Mechanical Engineering Intern

Summer 2022

Purdue University – Veterans to Energy Careers (VTEC)

West Lafayette, IN

Summer Engineering Intern

Summer 2021

Illinois Department of Transportation (IDOT) – US 150 McCluggage Bridge

Peoria, IL

PREVIOUS EDUCATION

Southern Illinois University Edwardsville

Aug. 2021 - May 2024

Bachelor of Science in Mechanical Engineering

GPA 3.5

Minors: Mechatronics and Robotics Engineering, Business Administration, Mathematics

Dean's List: Summer and Fall 2023, Spring 2024

Campus Involvement: ASME (president), Biomedical Engineering Society (member)

Illinois Central College

Jan. 2020- May 2021

Associate of Science in Engineering

GPA 3.6

Dean's List: Spring 2020, Fall 2020, and Spring 2021

SKILLS/SOFTWARE

C++, Python, html, ROS2 (robot operating system), Gazebo, Creo, Solidworks, Siemens NX, Matlab, AutoCAD, Inventor, Fusion 360, Ariba, EnteliWEB,

MILITARY SERVICE

Interior Electrician Team Lead

July 2018 – July 2024

Illinois Army National Guard

Recognitions: Advanced Individual Training Honor Graduate, Combat Life Saver Certification, Brigade Commander Challenge Coin
